Chamber plans for 1988 Annual Meeting

Plans for the 1988 annual meeting of the Elk Point Chamber of Commerce are well underway, with the date set for Wednesday, February 24 with a guest speaker from the Alberta Chamber of Commerce. The meeting is to be held in the banquet room of the Empress Restaurant, beginning at 6:30 p.m. that evening, and will include the election of officers for the coming year, from a slate of potentials now being prepared by the nominating committee.

Tickets for the dinner and meeting are now on sale from the Chamber executive at a cost of \$10 per person.

The Chamber also decided at last Wednesday's regular meeting to take part in the Agricultural Society's Trade Fair, which is scheduled for mid April. In addition to operating a booth at the Trade Fair, the Chamber may volunteer to help with promotion and on-site duties of operating the Fair.

Christy Boulter visited Chamber to relate the FCSS Board's plans to organize a United Way Campaign in Elk Point, in the fall of 1988. A brief survey of Elk Point businesses has indicated that many would support the concept, which involves making one donation per year, which is then divided up among a number of registered

charities, such as Heart and Cancer Funds, Red Cross, Canadian Save The Children, Canadian National Institute for the Blind, and local groups such as Brownies and Guides, Scouting Association and Cadet Corps. Miss Boulter explained that under the United Way, the entire amount of donations does stay in the Elk Point area. Allan Frankiw, who was involved in the Lloydminster United Way, run by the Chamber of Commerce in that city, said he feels the concept has "a lot of potential". He said that the major oil companies of ten match the contributions made by their employees. Both he and FCSS Director Marnie McCowan feel that once the FCSS gets the United Way organized, it would be a good project for the Chamber to take over.

Sgt. Bruce Best and Cpl. Doug Huskins of the Elk Point RCMP Detachment were on hand to invite Chamber members to take part in a business security seminar on Monday, February 8.

A letter sent by the Chamber to the Provincial Department of Recreation and Parks was acknowledged, and the Chamber told that the Department is developing a proposal, which will be advertised in the area regarding establishment of a mobile food concession at Whitney Lakes Provincial Park.

Conservatives meet

By Irene Magnusson

The St. Paul Progressive Conservative Constituency Board held their annual meeting in the Seniors' Centre in St. Paul, Saturday, January 30, 1988, with guest speaker the Hon. Jim Dinning, Minister of Community and Occupational Health, in attendance.

Guests were warmly welcomed by Past President Joan Darling, following an hour or so of socializing. Visitors from more distant places were named and head table was introduced. John Dahmer asked the blessing and a delicious buffet supper was enjoyed by all.

A group of some thirty young people, the Desna Dancers, entertained with very lively performances, to the delight of the crowd. The traditional Ukrainian costumes are eye-catching and elaborate, the skill and enthusiasm of the youngsters enviable.

Introduced by John Drobot, MLA for St. Paul, the Hon. Jim Dinning from Calgary spoke to the attentive crowd.

"I'm here to talk about P.C.s, not other parties," he said, then proceeded to do so. He pointed out that it was essential to build the Party, to show leadership, and to keep the interests of Albertans at heart.

Free trade, the Minister stated, was a strong point of Premier Getty's, as well as his predecessor, Peter Lougheed's. As well as the

essential industries of agriculture and energy, Alberta has progressed into petrochemicals, telecommunications, and many other areas of industry, along with the technology to do all these things. Forestry and tourism are others of Alberta's strengths, as witness the present Olympics world-class event in Calgary.

"It didn't just happen," the Minister stated, but took commitment and energy, to develop, cultivate and promote. "Albertans know about development," he added, and that is their strength.

He touched on the present nurses' strike, and the party's value placed on individual self-sufficiency. "Some days are rough," he stated, (i.e. the nurses' strike) and no one wins. The caucus has to consider and make decisions of what to do.

The minister ended his talk with thanks to a number of faithful members, "You make our party strong!"

Presentations were made: flowers to Mrs. Drobot from the constituency; "I Love Alberta" pins to all the dancers, from John Drobot; a cheque to Sharon Steinhauer, for the Manawans Club, in the amount of \$48,000, and last but not least, a cheque handed to Elk Point's Pat Vincent, for F.C.S.S. work, amount - \$28,000.

Financial statements and list of proposed directors as compiled by the nominating committee were carried, as presented. It was noted there was a need for more directors, and the number has been changed from 20 to 30, as of this meeting. The incoming President, taking over from Past President Joan Darling, is Duane Young, of Marwayne. Regional Director is John Dahmer.

Regional Director Dahmer stated that he had enjoyed his past year's work, he encouraged as many as possible to attend the P.C. Provincial Annual Convention, April 8, 9, 10/88, in Edmonton. He thanked all who helped in any way, and affirmed the 'rumor' that he would be running for MLA in the Beaver River riding in the next election.

MLA John Drobot, in a short address, wondered "What to talk about?" Should it be the new bridge at the border, the new lodges, hospitals, cash to towns for their development projects? He thanked all present for their help and support. He appreciates the work of volunteers and makes full use of them, as Board of Directors, consultants, advisors - and said he "sometimes takes their advice". His government believes in free enterprise and free trade, Drobot said.

He thanked his secretaries for work

Celebration 88 Awards

To recognize those Canadians who have made outstanding contributions to their communities, the Government of Canada is proud to announce the "Celebration 88" Awards Program.

This program honors Canadian citizens who have demonstrated characteristics which are in keeping with the admirable ideals of the Olympic Spirit: hard work, determination, moral character and dedication to community.

The "Celebration 88" Awards Program has two parts. The "Celebration 88" Medals honor individuals who have made outstanding contributions to amateur sports. The "Celebration 88" Certificates recognize those who have contributed to the quality of life in their community. These certificates are to be awarded to people in any field of endeavor.

Recipients will be awarded their medals by a Member of Parliament at a ceremony which will be conducted shortly before the arrival of the torch in their community. In those communities NOT on the Olympic Torch Relay Route, awards will be made at a designated "Celebration 88" Ceremony.

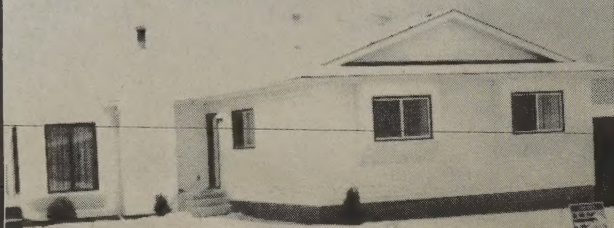

The "Celebration 88" Awards ceremony is to be held on Monday, February 15, 1988, at 1:00 p.m., Elks Hall, Elk Point. The public will be invited to attend these presentations. Coffee and doughnuts will be served. For more information contact: The Elk Point Municipal Recreation and Cultural Board Office, Phone Gail at 724-4409.

well done, and his family for good support. On agricultural programs, he said, a lot of dollars have been returned to farmers' pockets. He quipped that the (eastern) press calls it "handouts to farmers", when it goes to agriculture, but "incentive programs" when it goes to industry or such.

In true 'John Drobot' fashion, he ended with a poem "The Farmer Feeds Us All," and rousing cheers from his supporters.

Retiring Directors Nick Bochon, Sherry Young and Jeannette Boulet were honored with a gift, and thanks.

The large crowd spent a few minutes moving about, visiting and flexing muscles, until the Prairie

Ramblers took over, with lively dance music, interspersed with winning numbers called in a couple of fund-raising draws and auction. The lively crowd, bent on enjoying the evening, didn't seem concerned that it was one of the colder evenings of the year, minus 30 C, although some were going out to start up their vehicles now and then.

Ladies Champions -- Cell City Spoilers.

Lloydminster All Stars -- Pacers Tournament Champions.

Ryley, Lloyd top tournament

Ryley Cell City Spoilers and Lloydminster All Stars took top billing in the 15th Annual Elk Point Pacers Basketball Tournament this weekend. Five ladies and eight men's teams took to the courts in F.G. Miller High School and Elk Point Elementary School for two days of strong competition.

This year's tournament honored the "Original Seven" Pacers who initiated the tournament back in 1974: Gordon Miller, Ray Danyluk, Ron Piotrowski, Dave Shankowski, Mal Landry, Randy Kulczycki and Jim Rylance. Incidentally, that first 10-team tourney was also won by a Lloydminster team, the Sleepy Bears.

In the action packed ladies' final, the Cell City Spoilers narrowly defeated the hometown Elk Point Lakers, to win the Wilson Jet trophy and individual commemorative mugs. The Lakers were presented with a team equipment bag and mugs.

Elk Point's Sandra Ockerman and Sandy Lysy headed the list of First Team Allstars, which also included Lynn Graftaas of Ryley, Janet George of Provost and Lisette Boulet of the Edmonton Panthers. Second Team Allstars were Leanne Luft of the Panthers, Maureen Convey-Solberg of Ryley, Kathleen Bulie and Karen (no last name given) of Edmonton's Club Malibu, and Dawn Guenther of Provost Horizons. Both Allstar teams received sports bags. Most Valuable Player was Sara Wickotron of Ryley, who was presented with a Wilson Jet trophy. Sports bags went to Best Defensive Player Betty Boettger of Ryley and Most Sportsmanlike Player Sandra Myshak of Elk Point. The Free Throw competition was won by Ryley.

Lloydminster All Stars met keen competition in their final game against Lethbridge Celtics, with a final score of 124 - 101 in favor of the

All Stars. The Wilson Jet trophy and individual mugs went to the All Stars, and a team equipment bag and mugs to the Celtics.

First Team Allstars were Rick Dore and Ron Weik of the Celtics, Jay Leach of the All Stars, Jim Mistol of the hosting Elk Point Pacers, and Dave Schroeder of the Edmonton OV's. Second Team Allstar lineup consisted of Al Shea, Hinton Hyenas, Terry Whitehead and Dan Boyhachuk of the Celtics, Terry Mistol of the

Pacers and John Siggelkow of Provost Horizons. Both allstar teams won sports bags and Pacers hats. Most Valuable Player was Tom Groat of Lloydminster, recipient of a Wilson Jet trophy ball, while best defensive player was Art Owen of the OV's, who received a sports bag. A sports bag also went to Most Sportsmanlike Player, Rick Kleimark of the Celtics. The OV's won the Free Throw prize of a team equipment bag.

A plaque was presented to the tournament's favorite referee.

Sliders strike again!

By Mark Boulter

January 28, 29, 30 and 31, the Elk Point Sliders took the bus down to Red Deer, Alberta, to compete in the 1988 Alberta Winter Games. When we arrived we were taken to the Canadian Forces Base in Penhold. We moved in to our rooms, went for supper, and rode school buses back to Red Deer for the opening ceremonies.

The next day we went to our orientation clinics and practised for the rest of the afternoon. That night we were treated to an airband contest and a dance.

Saturday was the main day for the competitions. It was a long, cold, and windy day, but despite all the bruises, we still had fun. Two of the Sliders

enjoyed a couple of hours of downhill skiing. That night we enjoyed a play that paid tribute to the athletes. We had a 60's beach party dance with a live band to close up the evening. It was the final social event of the Games.

On Sunday, some of us still had some competing to do.

Kelly Currey received the gold in Nordic Combined. Dorothy Cardinal received bronze for Ladies Luge. Anthony Bayduza ended up in 7th place for Men's Luge. Jason Smereka and Mark Boulter placed 8th in Bobsled.

We enjoyed the whole weekend. We all made new friends and most important of all, WE HAD FUN!!

To our Valentines

Throughout the year, many people light up our lives with their generosity, their kindly ways and their caring attitudes toward us and toward one another. In this Valentines Week, let us take a moment to thank them for their efforts, which we sometimes take for granted.

To our families: Thanks for having supper ready when we get home, for bearing with us when our work includes evenings and weekends, for being there when we need your support.

To our correspondents: Thanks for gathering the news even when you would rather be tending your home fires, for answering the short-notice requests for coverage of events, for dealing with people in a fair and pleasant way, for not holding our production errors against us.

To all the great people who bring or send in their photos, news items and suggestions for making

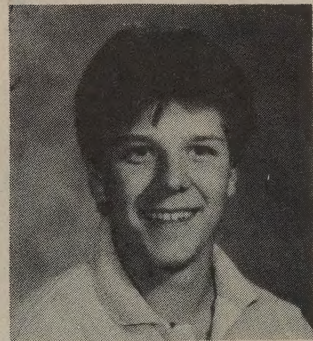

our paper what you want to read: thank you so much for your help and encouragement.

To the people we work with, whose efforts go toward getting the paper out each week - typesetters who will get that extra paragraph at the last minute, proofreaders who keep a watchful eye out for errors, darkroom staff who don't turn pale at films coming in Tuesday morning or at requests to "try the other picture -- it might be in focus", to the layout people who humor our ideas for creative advertising and just-so pages, and to the office staff who take our messages, remind us what we have to do and where we need to be: Thanks -- we couldn't do this without you.

To all our readers: Thanks for the vote of confidence you give us each time you open an issue. We sincerely hope you enjoy our weekly efforts.

Happy Valentines Day to you all!

WE CAN HIDE FROM WINTER — Under a hubble-like West Edmonton Mall — (or like a groundhog).
I. Magnusson

Winter living

By Irene Magnusson

I am a firm addict of CBC Radio, and have my set turned on most days, from early till late. It is company - and I learn a lot from the programs offered.

One such program comes on weekdays at 1 p.m., and features John Hanlon. He usually has a knowledgeable guest, and listeners are invited to phone in, with comments or questions on a chosen subject. Friday, January 29, featured "Winter Cities" and how to enjoy life in such temperatures as we are subject to. Guest on Hanlon's show was our own Gary Andrishak, now of Calgary, born and raised in Elk Point, son of Fred and Velma Andrishak, architect, and famous around the world as the designer of Alberta's Expo '86 pavilion.

Gary will be at Edmonton's Winter City showcase, February 15 to 19, 1988, where representatives of some 45 cities, called Winter Cities, because they are in the northern climes, such as we are, will gather to discuss and present ways to live more happily in these colder areas. As others, Gary Andrishak's company, Town Frame Urban Design, will be offering their ideas on how to live in the snow belt. (See Great Alberta Breaks, page 6).

Andrishak suggested that - in a five-months-of-winter area - we will spend 30 years of winter in our lifetime. Makes you think, doesn't it? Forty-five cities are in that situation, around the globe, and Edmonton is but one of them. (Elk Point is not a city, but let's look at their suggestions, anyway.)

We have three ways of handling winter, Gary says: ONE, we can build a bubble over ourselves and crawl into it (such as West Edmonton Mall). TWO, we can dress and prepare for it, get out and enjoy it, or THREE, be a 'California Dreamer', acting and dressing like we live in California.

Most of us would soon find the 'bubble' theory a bit out of our reach, and even if we could afford it, who would want to live in such a confined situation for long? I'm sure that even those persons who inhabit the West Edmonton Mall, must go home sometime - to sleep? Or to look at the sky?

An awful lot of people adhere to the "California Dreamer" theory. They are the ones who save up all year to go to Florida, Las Vegas, Reno, Hawaii. You also see them running

around the streets with no hat on, no mitts, no boots - probably no underwear - and bitterly complaining about the cold. They go around - but they don't stay out long - with thin shirt-collars turned up around their neck, pitiful protection for head and hair, and shoulders hunched against the blasts.

Most of us fall into the 2nd category. We LIVE here. We know, when the North wind doth blow and we shall have snow that it is time to get out the winter wear and WEAR it. You'll see us with toques or hoods, with yards of scarves, our hands mitts, and our feet booted. We will be snug in sweaters under our quilted outerwear, many of us even snuggler, with longjohns hugging our legs, while the fashionable will have legwarmers pulled up over their knees.

We are the ones who have fun in winter. We are out at the arena, the curling rinks, the downhill slopes. You may see us streaking through the woods on cross-country skis, roaring over the fields on snowmobiles (once there is enough snow!).

We are also the people who keep extra warm clothing in our vehicles when we travel, who plug in our vehicles when the mercury drops, who keep the top half of the tank full. We put on storm doors and double windows, and great gobs of insulation in every crack and cranny we can find. We sometimes have sense enough to stay home - on those extra bitter or stormy days, so someone doesn't have to go out looking for our remains, if things go utterly wrong.

A few of the ideas and suggestions that came from the phone-in show included "Dress for it, keeping extremities warm - toes, fingers, head." Attitude is important, said some, as -20 C is a warm day, in Yellowknife, while some whine and call it cold when it's -20 C around here.

We watch too much TV, others said, where it is always nice and sunny. Did you ever see a real storm on "Beachcombers"? If it's cold or stormy, they just don't shoot, so we only see the sunny side of life, and of course, we pine for that.

We have become acclimatized to seeing and hearing so much promotion and hype, advertising the joys of life in the 'banana belt', and so much whining and wailing about how we should 'get away from it all' that we think that is true. It would be a lot cheaper, and we could do a lot less whining, if we made up our minds

that "we live here," and face that fact by fitting ourselves to live in the kind of climate we have.

We have complained so much, one caller suggested, that other countries think we have winter here all year! (As I told you last week, in B.C. I picked a rosebud on December 29. Know what B.C.ites complain about the most? Cold weather! Cold winds! Too much rain! And we promote the idea that B.C. is weather-heaven.)

The Conference, Andrishak said, will have speakers on Leadership (in promoting cold weather activities), Housing (keeping warmth in, cold out), Clothing (fashionable, light and warm), Transportation (more buses, easier parking), and Recreation (the joys of winter living).

With all these brains working to make our lives more comfortable and adjusted to the rigors of winter living in our latitude, how can we help but benefit?

We can urge our town councils, it was suggested, to spend more on clearing the sidewalks (for people) who should be as important as vehicles (which they clear the streets for). I'll cheer for that!

Businesses, as well as residents, should be urged to clean snow off their sidewalks, immediately after it snows, rather than 'next week,' which could save on spills and slides, and mean tempers.

When I was a kid, I always liked winter better than summer - there were no mosquitos, flies and wasps around then. Also I knew what to do when I got cold (put more clothes on), but when it was too hot - what more to take off? I guess I still like winter but for other reasons. It can certainly be enjoyed.

Restaurant month

Dave's Pizza family busy as their beaver mascot

The warm, family style atmosphere and a menu filled with favorites for all ages keeps the staff at Dave's Pizza, Elk Point, as busy as the proverbial beaver who grins down from the sign above their door.

Owners Sharon and Ron Smith have had "terrific community response" since they took over operations last May 1. Their staff has been expanded to 6 full-time and 2 part-time workers, and includes Marie Loughran and Leona Bretzer, who have been with the franchise since its early days in Elk Point. Mrs. Bretzer also worked with the Smiths at the food concession they operated at Whitney Lake for 6 summers. It was there that they found their "really enjoyed meeting all the people," which prompted their decision to go into a year-round restaurant business.

No less than 21 varieties of pizza, including the exotic, sour-cream topped Mexican Gaucho and the unique, sweet and spicy apple pie pizza, top their menu. The Smiths have added main dishes, such as Chicken a la Kier and Salmon Steak, and crunchy salads such as the seafood-topped

Neptune to the original menu, along with a tasty seafood submarine sandwich, escargot, and other treats.

Homemade soups, accompanied by fresh, hot biscuits are a lunchtime mainstay, and part of the daily luncheon specials, which also include either a sandwich or a main dish. Thursdays' special, for instance, our favorite: lasagna, rich with cheese and served with a big slice of garlic toast, soup or salad, jello or ice cream and beverage.

Spaghetti, barbecued chicken, ribs, steak sandwiches, submarines and a variety of sandwiches are also available, as are special portions for the little people. Fresh baked pies and fat bran muffins are great for a between-meals treat or to top off your meal. The restaurant is licenced.

Takeout pizza is a specialty — lasagna, spaghetti and subs, too — for your at-home eating pleasure.

Heart-shaped pizzas may not be on the menu, but almost everyone's Valentine would be sure to enjoy a visit to this bright and cheery eating place this weekend, or any day of the year.

Sue keeps the coffee cups full .. While Billie Lynne works on her latest creation -- Cartoons for the kids who visit Dave's Pizza to take home and color.

Out our way

By Mildred Dunham

Out Primrose way, the neighbors got together recently for a house warming party at Charlie & Connie Thomson's new house. It's the first new house (excluding trailers) that has been built in Primrose for approximately 30 years. We are proud of their accomplishment since as yet, Primrose has no oil activity to help finance such projects.

Milton (Mac) & Emily MacDonald have moved a trailer into the district and plans are they will become residents this summer.

Ferguson Flats are still busy with the whist drives. Saturday's game had only three and a half tables as most people were out curling. The John Hillebrand family wiped out the prizes.

Ferguson Flats will hold a Valentine social evening this Saturday at 8 o'clock (Feb. 13). They hope that most of the parents and their families will come as everyone is welcome, including surrounding districts.

Lindbergh way: Walter & Margie Saranchuk have returned from another exciting trip to Reno. Margie says there were thirteen people from Elk Point on the same plane and they all stayed at the same hotel. Could it have been January gambling fever?

The Winter Carnival was a big success. The ice sculpture winners were: Angie and Adam Carter for Humpty Dumpty, Stacey Harasiuk, Marcie Bardoel, Kyla Harasiuk and Lynelle Etherington for their turtle.

The Family Challenge winners were the family of Frances Yaceyko who won a dinner for four at the Kentucky Fried Chicken.

On Saturday afternoon, at the skating party, there were many winners of the skating races. The winners of the candy jar guesses were Jennifer Lawrence, of the big jar, Gregory Yaceyko of the middle size jar, and Bryan Thomas of the small jar.

After the potluck supper, the 4-H hamper raffle winners were drawn: 1st, Orest Belyk, and 2nd, Dever DeFord.

The Saturday Talent Show featured twenty-one entries, all talented. Judges, Pat Huxley, Eleanor Stafford and Sherry Ganton had a tough job. The winners will be listed next week.

The student tried the "You must have been a beautiful baby" contest the week before the Carnival, but were not told which names they had correctly matched to the staff baby pictures. Stacey Rybchinsky was the school winner. Seven others tied for second place. Two names were drawn, Tracey Convey and Caroline Thomas. All three won gift certificates.

Talent Show winners: Junior: Angie Carter, Barbara Brake, Corrine Simonet, Erin Martin, "Do Your Ears Hang Low" group; Jamie Trachuk, vocal solo, and "Poor Little Bug on the Wall" comedy group. Joanne Simonet, Christy Norris, Jennifer Lawrence, Donna Radesh, Sally Bardoel, Ellen Lawrence.

P.C.s MEET

On Mon., Feb. 1, the Progressive Conservative Lloydminster Constituency Annual Meeting was held in Dewberry Hall. In the extreme cold, there was a group of Vermilion nurses picketing the hall, waiting to meet the Hon. Jim Dinning, Minister of Community Health, who was the guest speaker at the meeting. They also refused the offer of the delicious supper served by the Lion L's.

Mr. Dinning's comments on the

nurses' strike were that all Albertans must obey the law, including this group of professionals. Secondly, he said that the Hospital Association must be helped to reach a fair settlement, but that there will be no winners in the situation.

The election of executive for the Constituency added two new names, Malcolm Gray as President, and Norma Hryciuk, Secretary. Jiggs Goldsmith was re-elected as one of the Vice-Presidents. If there is a concern with the Alberta government, the Clandonald-Dewberry area has several people who are in contact with MLA Doug Cherry regularly. They would like to hear from you.

DATELINE

Feb. 7 to 13 is WE LOVE our TEACHERS Week.

This is WHITE CANE WEEK.

The Clandonald Men's bonspiel will be starting Feb. 10. The next week, the Mixed Bonspiel goes from Feb. 17 to 21.

On Friday, Feb. 12, at 2 p.m. the "Kiss the Pig" contest ends with one lucky father (or stand-in) chasing and kissing the pig in the school gym. There is still time to buy votes for the father you would like to see be the lucky winner. They are available from Grade 9 students and at local businesses.

Friday, Feb. 12, the annual Wheat Pool delegate's report meeting will be held at the Dewberry Agri-Centre, with pancake supper beginning at 6 p.m.

The Friendship Centre Bingo begins at 8 p.m. on Monday Feb. 15.

Further Education news

By Gladys Drobot

The minus 30 degree temperature didn't help attendance at the "What's Happening To My Farm?" session held Feb. 3. Between the Harlem Clowns and the cold we managed to attract only five people. In spite of the low attendance Jim Unterschultz and Terry Holmgren spent three hours showing us how to find where our business is at, how to do a balance sheet and what you can learn from it. I'm sure everyone went home with at least a few ideas and a lot to think about. Thanks to Jim and Terry for

coming to Elk Point on such a cold evening.

I hope we can encourage more people to attend the FARMERS: Know Your Rights, session on February 17 from 7:00 to 10:00 p.m. at the F.C.S.S. Centre gym. Your speaker will be someone from the Farmers Advocate office in Edmonton. See you there. Come and bring a friend!

It looks like Homemade Soups will go on Wednesday, Feb. 10 (today). Maybe the cold weather made people more soup conscious.

Brad Gilbert from Lloydminster, will be in Elk Point on Wednesday, February 17 from 1:00 to 4:00 p.m. with a Sewing Machine Maintenance session. Bring your sewing machine and Brad will show you how to service it by yourself. A very worthwhile course.

Louise Chomlack will be back on Saturday, Feb. 20, with another Serger Demonstration from 10:00 a.m. to 3:00 p.m. at the F.G. Miller Home Ec. Room. This is a return visit by request. Please register soon.

At least 4 more names are needed for Cake Decorating with Joy Smyl from St. Paul. This course starts Wednesday, Feb. 24 and goes to March 30. There is a maximum registration of 12 so pay your fees early and don't be disappointed. Registration will be taken on a FIRST PAID basis. Remember you are not registered until your fees are paid. Water Color Painting has 5 people signed up, but we need 3 more for the course to go on March 1.

Keep in mind — Wills and Estate

Planning, March 2; Taxidermy (Ferguson Flats Hall) starting March 3 has 6 people interested but fees must be paid. We need at least 2 more.

Anyone interested in any other courses or in the January courses that were postponed please phone and let me know. The phone number is 724-4101 on Tuesday and Thursday, from 1:00 to 7:00 p.m. and from 1:00 to 5:00 p.m. on Wednesday or 645-2540 any other time.

What Ever Happened to our Golden Girl?

Diane Jones Konihowski was Canada's reigning pentathlete and hope for Olympic gold. In 1976, she fell short of that glory in Montreal. In 1978, she captured the gold at the Edmonton Commonwealth Games and was ranked the world's best pentathlete. Then the 1980 Moscow boycott ended her Olympic dream.

DIANE JONES KONIHOWSKI ON ATHLETICS: "I've dealt with success and many, many failures. I blew it in Montreal. I choked. But I picked myself up and became better because of it. A coach can want an athlete to be the best — and make all the opportunities available — but it's up to the person to make it work.

The individual has to take the initiative. "We were told we couldn't go to Moscow.

I was devastated. Four more years until Los Angeles. Can I do it? Do I want to? I couldn't put off reality any longer. I wanted a career."

DIANE JONES KONIHOWSKI ON CAREERS:

"I was already a teacher. So I put those skills to use as a radio commentator. You struggle at first. But you learn and you get better. I covered the sports that never got covered — like archery and table-tennis. That got me interested in developing them. It led to my job as an administrator with the Alberta Sport Council. "We're trying to get as many Albertans on Canada's 1988 Olympic team as possible. Who knows, maybe next year I'll be doing something completely different. "Some athletes specialize in one sport by the age of 10. I didn't choose to be a pentathlete until I was 21. You've got to be open to new experiences. Learn to adapt. Stay flexible."

DIANE JONES KONIHOWSKI ON INITIATIVE: "You have to look for opportunities. If I lost my job today, I'd go out and do anything I could. I've proven to people that I can learn new skills. "You've got to be open to change. It doesn't matter if you're an athlete striving to be number one, or a clerk who wants to be a vice-president — initiative and a desire to adapt can make it happen."

ALBERTA CAREER DEVELOPMENT AND EMPLOYMENT ON DIANE JONES KONIHOWSKI:

Diane's attitude keeps her competitive in today's changing workplace. Because of a dynamic world economy and rapid technological advances, a person is likely to undergo at least four complete occupation changes and have up to 15 jobs. Today's workplace also offers employers and employees more challenges and more opportunities than ever before. We're here to help with training, counselling, and job creation programs.

"How To Turn Opportunity Into Enterprise"

The Grovers like to label everything! Their Chromato Label Manufacturing Ltd. in Edmonton serves clients across the West. (r. to l.: Ravi Grover, President and brother, Raj.)

More Info

Have a sound business plan that needs a financial solution? Call on your nearest AOC office and ask for our brochure, "How to Turn Opportunity into Enterprise." Your nearest office is in St. Paul, 645-6336.

AOC has offices in Brooks, Calgary, Edmonton, Edson, Grande Prairie, Lethbridge, Lloydminster, Medicine Hat, Peace River, Red Deer, St. Paul, and Ponoka (Head Office).

Opportunity

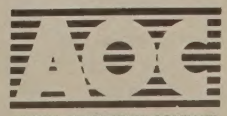

By 1979, the Grover brothers, Ravi and Raj, had put in eight years working for a printing company, making labels. They were sure they had the experience and drive to do it themselves, better.

Challenge

To start their own label manufacturing firm, they needed to buy a press, hire a pressman . . . and find financing.

Solution

They went to the Alberta Opportunity Company — and AOC labelled their idea sound! What started as a three-person operation today employs twenty-two, making labels for companies across Western Canada. When Chromato expanded in 1985, and again in 1986, AOC was there to help, again.
